2. ~~Wgt~~ What propelled me to do something  
extraordinary / unique / unprecedented / especially  
conspicuous

as for a Head Guy

(who all ribbed the lines)

+ some, after, careers?)

was a unique collection (+ sequence)  
of experiences (i.e. mentors: like Frank

\* I did benefit from Mother's death -

subjectively + objectively -

whether or not I had known unconsciously  
united for it (or, my own: her's death):

NOT because it freed me from the prison

(that can control me, and, I did think, contributed to

her death (pandemonium survivor's guilt?))

I am dangerous  
to RAND

if I were to be  
exposed by  
RAND staff, on a  
possible example

DE used RAND  
for a very small  
corner of offprints  
the man —

impossible

(NCSM-4)

(though ~~it~~ did  
identify the man

(apparently the  
PP — not really...)

SECRET!

Randy!

Sent by New 18, my  
main intent was

the man — which  
would risk RAND saying  
— too!
